

The logo for Wackenhut Services Incorporated features the word "WACKENHUT" in a large, bold, blue, sans-serif font with a white outline. Below it, "SERVICES INCORPORATED" is written in a smaller, solid blue, sans-serif font. The text is centered and flanked by several horizontal lines of varying lengths, creating a sense of motion or speed. A blue swoosh or arc is positioned above and below the main text.

**WACKENHUT CAPTURES DEPARTMENT OF ENERGY NATIONAL CHAMPIONSHIP**

Aiken, S.C. - Wackenhut Services Incorporated–Savannah River Site has won the top award at the U.S. Department of Energy's (DOE) Security Protection Officer Training Competition in Albuquerque, New Mexico. SPOTC is a tactical, skills-oriented firearms competition that is held at the National Training Center's Safeguards and Security Central Training Academy. The four-day competition was open to teams of protective force officers from the DOE community all over the nation.

The WSI-SRS SPOTC Team captured the DOE's national championship to win the Secretary's Trophy.

Wackenhut has captured the Secretary's Trophy four out of the last five years. For additional information on SPOTC, visit [www.spotc.doe.gov](http://www.spotc.doe.gov).

The Company has now won the Secretary's Trophy eight times (1984, 1985, 1986, 1991, 2004, 2005, 2006, 2008).

The WSI-SRS SPOTC Team was selected from a pool of volunteers, and includes Team Leader Casey Petosky, Tommy Goodson, Joshua Zeigler, Anthony Tisbert, Nicholas Mothershed, Jonathan Perry and Gideon Hornung.

Mike Howard, a Wackenhut Training Instructor, was the Team Coach, and Noel Hilton was the SPOTC Fitness Coach.

**Wackenhut Services Incorporated**

Wackenhut Services Incorporated ([www.wsihq.com](http://www.wsihq.com)) is the largest supplier of contract security services to federal facilities connected with nuclear programs and managed by the U. S. Department of Energy. It also provides security and security related services to U.S. Department of Defense agencies and the National Aeronautics and Space Administration, and facility management services for government installations. WSI is also a leader in the privatization of public services for municipal, state and federal agencies, including supplementary police, fire and emergency services. The Company is based in Palm Beach Gardens, Florida.
