### WACKENHUT NAMES EMPLOYEES OF THE QUARTER

Aiken, S.C. - Wackenhut Services Incorporated–Savannah River Site (WSI-SRS), the security contractor at the U.S. Department of Energy's Savannah River Site, is proud to announce the Employees of the Quarter.

Security Police Officer II Michael Atkinson was named the Security Employee of the Quarter, Antoinette Kelly was named Administrative Employee of the Quarter, Lt. Darren McIver was named Protective Force Supervisor of the Quarter, and Melinda Bolen was named Administrative Supervisor of the Quarter.

The Company recognizes employees on a quarterly basis whose work performance models the Company Core Values - people, safety, professional excellence and customer focus.

"I'm proud of these employees, and all others who were nominated for this recognition," said James H. "Bud" Isom, Wackenhut's General Manager at SRS. "Employees are our most valuable resource, and these individuals demonstrate the professionalism that helps us remain the premier security contractor in the Department of Energy complex."

WSI-SRS has approximately 870 employees at the Savannah River Site.

### Savannah River Site

The Savannah River Site is a key DOE industrial complex dedicated to environmental management and cleanup, nuclear weapons stockpile stewardship, and nuclear materials disposition in support of the U.S. nuclear non-proliferation efforts. The 310-square-mile site also develops and deploys technologies to support the environmental cleanup and energy independence. The site's center is approximately 23 miles southeast of Augusta, Georgia, and 20 miles south of Aiken, South Carolina, the two closest population centers. WSI has provided security services at SRS since 1983.
